

Dade Reading Council Literary Grant

As a DRC member, you have an opportunity to try that special project to promote reading and writing. Sometimes articles, workshops, Networkings, and mini-conferences capture our attention to try those presented ideas with our students.

We would like to hear about your dream project! What funds would you need to make that dream a reality? We are not talking about commercial programs or workbooks. What materials such as office supplies, art supplies, bookmaking materials, award certificates, books, etc would you need for your idea to become a reality?

DRC has given numerous grants over the years to teachers to support their aspirations. If you are interested, you need to complete the grant application which is only a few pages and submit it before the deadline which is **Wednesday, October 18, 2006**.

Since the grant award checks will be given November 2006, the grant money needs to be spent and the one page report written before June 1, 2007. So, take that great idea and tell us about it.

This grant is open to all teachers PreK-Senior High School in both public and private schools. You must be a current DRC member.
